MESSAGE FROM LEADERSHIP

2021-2022 was a year for growth for the ACCSA! The Health & Dental plan expanded to support our International Students with the International Medical Plan. The Accsa went through a strategic growth plan that is intended to last for 3-5 years, this plan will give the Association a vision to follow in order to meet ever changing student needs.

Despite the prolonged online environment due to COVID-19, the ACCSA maintained service provisions to students virtually, and continuously worked with the College to advocate for a student-focused approach throughout the pandemic.

INITIATIVES

Part-Time Student Jobs

The budget was created to allow for four student jobs in the 2022-2023 year.

Identifying & Segregating Financial Reserves

The ACCSA has moved all investments over to RBC Dominion Securities in order to better manage investments.

Digitizing Documents/ Processes

The ACCSA has started to compile all clubs forms and alter them to online formats.

Club Templates

This initiative has since been voted out due to a change in direction.

Career Services

The vision has been laid out for career services to be launched in 2023.

ACCSA Mobile App

The plan was implemented to have an app launched in 2022, however, this initiative was cancelled due to its costliness.
